

ADDENDUM #2

REQUEST FOR PROPOSALS (RFP) FOR ENHANCED EMERGENCY MEDICAL SERVICES (9-1-1 EMS RESPONSES AND INTERFACILITY TRANSPORTS)

BID # 26/27-004

SUBMITTALS DUE NO LATER THAN: 4:00 PM ON OCTOBER 7, 2026

This addendum is to notify all potential proposers of clarifications made to the Bid documents as stated below.

1) NOTE:

- a. ALL ADDITIONAL QUESTIONS NOT ANSWERED IN THIS ADDENDUM #1 SHALL BE PROVIDED TO THE SPARKS FIRE DEPARTMENT AT (SFD_RFP@sparksnv.gov, 775-353-2255) NO LATER THAN 5:00 p.m. WEDNESDAY SEPTEMBER 23, 2026.**

2) Does the City interpret NRS 332.820 as applicable to the ambulance services RFP currently under solicitation? Yes

- a. If so, does the City interpret the statute to prohibit or restrict communications between bidders and members of the Sparks Fire Department or other City of Sparks officials during the period between the RFP's release through the proposal due date?** *It does not prohibit or restrict communications generally. It restricts communications regarding the RFP to the identified formats in the RFP (this email and the identified phone number) so that answers may be published as addenda to the RFP.*

3) Are there any permissible channels or procedures through which prospective offerors may seek additional information on operational, technical, or logistical matters related to the RFP without violating the statute or the City's procurement policies? *The identified email and phone number noted in item 1) of this Addendum and on the second page of the RFP advertisement are the appropriate channels.*

4) Can the City please clarify the due date for the proposal? Pages 1 and 2 reflect a due date of October 27, 2026, while page 31 and the site reflect a due date of October 7, 2026. *See Addendum #1 that has been previously posted to our Bid and RFP's link on the City of Sparks website which clarifies this item. Submittals shall be in the hands of the City of Sparks no later than 4:00 p.m. October 7, 2026.*

5) Question: Please clarify the following information:

a. 911 Call Volume and Transport Data:

- i. An estimate of the annual number of 911 EMS responses within the City of Sparks.**
 - 1. Total system incidents: 20,997 FY24/25*
 - 2. Total 911 incidents: 19,630 FY24/25*
- ii. The annual number of EMS patient transports originating from those responses.**
 - 1. Total number of transports: 9,926 FY24/FY25*

b. Fire Department EMS Operations:

- i. We understand the Fire Department has an exclusive role in emergency response within the city. Can you confirm whether the Fire Department provides patient transport services? *The Sparks Fire Department does not currently provide transport services.*
- ii. Does the Fire Department provide vehicle extrication and rescue services as part of its emergency response operations? If yes, can you provide that number. *Yes, the Sparks Fire Department provides extrications services. Total number 48 for FY24/FY25*

c. Non-Emergency Transport Volume:

- i. An estimated annual volume of non-emergency transports, including:
 1. Dialysis transports
 2. Hospital discharges and interfacility transports
 3. Any other recurring non-emergency transportation services
- ii. *Answer: Total number of IFT incidents: 1,367 FY24/25. We do not have the data breaking this out into dialysis specific incidents or hospital discharges.*

Please note and adjust your bid according to the revisions, additions, deletions, clarifications, or modifications as presented on this Addendum #2, which are made a part of this bid. NOTE: To avoid disqualification, this Addendum #2 (and any other addenda) must be signed by an authorized representative of the proposing firm in the space provided and must be submitted with your firm's sealed proposal. Failure to return this addendum, duly signed, may be cause for rejection of the proposal. ALL ADDENDA SHOULD BE SIGNED AND PLACED IN SEQUENTIAL ORDER AND ATTACHED TO THE FRONT OF THE PROPOSAL PACKAGE, COMPLETE WITH ALL REQUIRED DOCUMENTS.
